A NON-PROFIT ORGANIZATION CONNECTING KNOWLEDGE WITH NEED SINCE 1979

Earn your DBT Certificate

Dialectical Behavior Therapy (DBT) has evolved from the go-to treatment for borderline personality disorder to one of the most recognized and sought after therapies for a variety of difficult to treat client problems. The increasing pressure to adopt treatments that work makes DBT skills and strategies a must-have for all types of therapists.

For those who feel that pressure but fear becoming a “manual maniac”, relax. I will teach you how to follow the manual yet make thoughtful customizations consistent with evidence-based practices and always grounded in the therapeutic alliance. Covering DBT from theory to clinical application, including the use of diary cards, behavioral analysis, contingency management, and multi-layered validation, this certificate course welcomes those implementing DBT in standard and adapted ways as well as those wishing to simply add DBT skills and techniques to their eclectic or integrative style.

If you have felt limited or stuck with your therapy skills or ready to give up on certain clients, this certificate course will breathe new life into your work. You will leave ready to use the essentials of DBT listed above as well as skills from the Mindfulness, Distress Tolerance, Emotion Regulation, and Interpersonal Effectiveness modules with your clients, enjoying new confidence in and effectiveness with your clinical skill set.

You'll be amazed at the difference you'll see in your clients and the confidence you'll gain in your practice.

Hope to see you in the training,

Lane Pederson, PsyD, LP, DBTC

PS... You'll learn so much more than just DBT techniques in this training! You'll learn to effectively utilize DBT in your practice and transform your patient outcomes.

Imagine the relief your clients will experience with this effective, break-through treatment.

Imagine the satisfaction you will feel knowing that your clients' transformation stems from effective DBT training, skill development, and practice.

Imagine the confidence you will have when treating even your most challenging clients.

It's time to begin the journey. . . and this intensive training is your first step.

Your satisfaction is guaranteed — register today.

QUESTIONS? Call customer service at 800-844-8260

The DBT Skills Training You have been waiting for!

Do you have a client who everyone else has given up on?

They've seen multiple therapists, without the relief they want and deserve.

Maybe you feel stuck with this client — and at this point, even the client believes they are not capable of getting better.

You can offer them hope...with practical interventions that are proven to WORK.

Evidence points to Dialectical Behavioral Therapy (DBT) as one of the most effective treatments for many chronic, recurring, and challenging mental health conditions including **personality disorders, suicidal thoughts, impulse control, addictions and more.**

There's nothing more rewarding than working with a client whom **other therapists have given up on, and seeing that client have a better life.**

That's why you became a therapist, to improve the lives of even your toughest clients.

Imagine having a fresh approach filled with empirically validated tools that can be applied in a flexible and fluid way to help your clients find relief from suffering and overcome their challenges.

In this intensive DBT certificate course will give you the skills and tools you need to see even your most challenging clients thrive.

Lane Pederson, Psy.D., LP,

has provided Dialectical Behavior Therapy (DBT) training and consultation to over 10,000 professionals in the United States, Australia, South Africa, Dubai, Canada, and Mexico through his training and consultation company, Lane Pederson and Associates, LLC (www.DrLanePederson.com).

A real world practitioner, Dr. Pederson co-owns Mental Health Systems, PC (MHS), one of the largest DBT-specialized practices in the United States with four clinic locations in Minnesota (www.mhs-dbt.com). At MHS Dr. Pederson has developed DBT programs for adolescents, adults, people with dual disorders, and people with developmental disabilities. He has served as clinical and training directors, has directed practice-based clinical outcome studies, and has overseen the care of thousands of clients in need of intensive outpatient services.

Dr. Pederson's DBT publications include *The Expanded Dialectical Behavior Therapy Skills Training Manual, Second Edition* (PESI, 2017); *Dialectical Behavior Therapy: A Contemporary Guide for Practitioners* (Wiley, 2015); and *Dialectical Behavior Therapy Skills Training in Integrated Dual Disorder Treatment Settings* (PESI, 2013).

Notable organizations he has trained include Walter Reed National Military Hospital, the Federal Bureau of Prisons, the Ontario Psychological Association, the Omid Foundation, and *Psychotherapy Networker*. He has provided DBT training for community mental health agencies, chemical dependency treatment centers, hospital and residential care settings, and to therapists in forensic settings. Dr. Pederson also co-owns Acacia Therapy and Health Training (www.AcaciaTraining.co.za) in South Africa. He serves on the advisory board for the doctoral counseling program at Saint Mary's University of Minnesota and is a peer reviewer for Forensic Scholars Today

Suicide assessment techniques
Establishing safety protocols
Safety plans and safety commitments

Hospitalization Issues

Effective use of the hospital
Transitions in and out

Next Steps

What you learned and what you need
Developing your plan
Taking action

Hassle-Free Cancellation Policy:

If you contact us before the event date, you can exchange for a DVD/digital manual package on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$120 cancel fee. Substitutions are permitted at any time.

There will be two 15-min breaks (mid-morning & mid-afternoon).
Actual lunch and break start times are at the discretion of the speaker.
A more detailed schedule is available upon request.

Objectives

- 1 Discriminate DBT from the contextual model of therapy.
- 2 Evaluate DBT research in light of the contextual model and the Evidence-Based Practice of Psychology (EBPP).
- 3 Correlate DBT philosophies and interventions to the therapeutic factors that most improve treatment outcomes.
- 4 Explore dialectic philosophies and their application in therapy.
- 5 Determine how the core assumptions of DBT are put into action in therapy.
- 6 Assess how DBT theory drives therapeutic interventions.
- 7 Communicate how to balance validation and change strategies in clinical situations.
- 8 Integrate mindfulness techniques into therapy.
- 9 Implement an effective therapy structure that includes identifying clear treatment goals.
- 10 Practice how to effectively teach the four standard DBT skills modules - mindfulness, emotion regulation, distress tolerance and interpersonal effectiveness.
- 11 Design teaching strategies for skills training sessions.
- 12 Plan and teach supplemental DBT skills and modules.
- 13 Practice DBT skills training techniques in small groups.
- 14 Recommend how to seamlessly integrate DBT skills into individual therapy.
- 15 Discriminate the DBT model from cognitive-behavioral, client-centered, and other treatment modalities.
- 16 Practice a multi-layered approach to validation of clients' thoughts and feelings.
- 17 Establish balance validation with the most effective (and practical) methods of behavior change.
- 18 Practice reciprocal and irreverent communication styles, to be utilized within the therapy session.
- 19 Comment on the key differences between traditional cognitive interventions and DBT-style cognitive interventions.
- 20 Practice therapy techniques with effective pacing, balance, and flow.
- 21 Articulate when to use (and not to use) exposure techniques.
- 22 Employ DBT diary cards and chain (change) analysis.
- 23 Propose how to operate with consultative groups and treatment teams.
- 24 Assess and manage self-injurious and suicidal behaviors with clear protocols and safety plans.
- 25 Establish clear plans for crisis management, including psychiatric hospitalizations.

Receive over 50 Practical DBT Worksheets, Resources and Exercises

THIS COURSE IS DESIGNED FOR:

Counselors • Psychologists • Psychotherapists • Psychiatrists
Social Workers • Marriage & Family Therapists • Addiction Counselors
Case Managers • Mental Health Professionals • Nurses

The Expanded Dialectical Behavior Therapy Skills Training Manual, 2nd Edition

DBT for Self-Help and Individual & Group Treatment Settings

By Lane Pederson, Psy.D., LP **Your Speaker** & Cortney Pederson, MSW, LICSW

Beyond updates to the classic skills modules, clients and therapists will be enriched by added modules that include dialectics, cognitive modification, problem-solving, and building routines as well as all-new, much-needed modules on addictions and social media. Straightforward explanations and useful worksheets make skills learning and practice accessible and practical for both groups and individuals.

Dialectical Behavior Therapy Skills Training for Integrated Dual Disorder Treatment Setting

By Lane Pederson, Psy.D., LP **Your Speaker**

This workbook outlines the acceptance-based philosophies of DBT with straightforward guidelines for implementing them in Integrated Dual Disorder Treatment (IDDT) settings. Includes comprehensive explanations of DBT skills tailored for those with dual disorders. Includes new reproducible handouts and worksheets for clients that can be used in therapy and treatment programs.

"Evidence Based! Approachable and accessible. Lane is extremely knowledgeable. I would highly recommend Lane and this training to others."

- Laurel (Denver, CO)

"I learned a lot & the information was helpful as we went over the DBT stages, application of skills, nature and importance of the structure of this therapy, as well as Lane's expertise & evidence-based support of therapy. Watching Lane conduct DBT sessions was very helpful too."

- Counselor (Denver, CO)

PESI Inc. is proud to offer this seminar (at these locations only) free of charge (on live seminar tuition) for veterans and active duty military personnel. **Advance registration by phone required.**

4-day Intensive Certificate Course in

Dialectical Behavior Therapy (DBT)

FEATURING:

Lane Pederson, PsyD, LP, DBTC

Phoenix, AZ

Tuesday - Friday, December 4 - 7, 2018

Hilton Phoenix Airport

REGISTER NOW! pesi.com/express/66539

Excellent! Combined content with humor which kept the group involved. I really enjoyed Lane's "do what works" approach.

- Adam (Swartz Creek, MI)

Lane is a very well-spoken and informed presenter with a tremendous amount of expertise to share.

- Marianne (Huntington Station, NY)

I love the flexible approach. I have been in seminars for 40+ years and it is rare for me to stay with it for four days, but Lane did it!

- Walter (Bloomington, IN)

I learned a lot & the information was helpful as we went over the DBT stages, application of skills, nature and importance of the structure of this therapy, as well as Lane's expertise & evidence-based support of therapy. Watching Lane conduct DBT sessions was very helpful too.

- Counselor (Denver, CO)
