2-DAY INTENSE TRAUMA TREATMENT CERTIFICATION WORKSHOP

EMDR, CBT and Somatic-Based Interventions to Move Clients from Surviving to Thriving

Transform your practice with this intensive 2-day Certification Workshop that will provide you with effective strategies and interventions from EMDR, CBT, somatic approaches, and narrative therapy so you can take your trauma treatment to the next level!

You'll learn how to properly assess clients, effectively stabilize them in preparation for treatment, help them safely reprocess traumatic memories, and develop the resources they need to achieve and maintain recovery. You'll also get detailed guidance on overcoming scenarios involving anger, resistance, and suicidality that can leave you exhausted and uncertain of how to move your most challenging clients forward.

Better still, completion of this two-day conference meets the educational requirements when applying to become a Certified Clinical Trauma Professional, giving you the opportunity to differentiate yourself from the crowd and let clients and colleagues know that you've invested the time and effort needed to provide treatment at the highest level.

Sign up today, get the proven tools and techniques needed to end the suffering of your clients and move them from surviving to thriving!

SPEAKER

Dr. Jennifer Sweeton, is a licensed clinical psychologist, author, and internationally-recognized expert on trauma, anxiety, and the neuroscience of mental health.
